

Bridgestone Golf e5 Golf Balls High Flight

Brand: Bridgestone
Product Code: SEWX6D

Price: \$40.00

Description

Low ball flight got you down? The all new e5 is engineered to provide more lift for longer carry and added distance thanks to the high spinning tour caliber cover and 2-piece construction.

The newly engineered WEB Dimple enhances surface coverage for improved ball flight for more distance.

Product features

- 326 Seamless dimple design with New WEB Dimple Technology
- Large gradational core
- Tour caliber urethane cover

Specifications

WEB Dimple Technology increases surface coverage by more than 10%, enhancing distance and flight performance. ALL e Series models have WEB Dimple Technology.
