Brand: Coleman

Product Code: 2000027945

Price: \$299.99

Description

It's time for a camping trip. Gather your family and gear up for your outdoor adventure with the Coleman WeatherMaster 6-Person Tent.

With a hinged door for easy entry and a spacious interior with room to fit 2 queen-sized air beds, this tent has space for 6 happy campers. It only takes 20 minutes to setup with the Insta-Clip pole attachments and poles. It has a built-in screen room with a zippered door that adds 6 feet of critter-free, outside lounging. It makes for a great area to hang out, play games, and eat your meals.

This tent has a WeatherTec system with patented, welded floors and inverted seams to keep water out and your family dry. It can take on wind gusts over 35 mph with its strong and sturdy poles and canopy fly. There are storage pockets inside to keep your trinkets organized and an e-port for electrical access.

Your camp ground is calling, and you must go. Explore, roast some s'mores, and catch your Zzz's in the Coleman WeatherMaster 6-Person Tent.
