

Coleman Weathermaster 10 Person Family Camping Tent

Brand: Coleman
Product Code: 2000028058

Price: \$299.99

Description

The Coleman Weathermaster 10-Person Dome Tent provides a comfortable sleeping environment for a single family and will accommodate up to 10 people if necessary. It's one of the larger tents on the market, and it's designed for easy setup. Its walls are constructed from taffeta polyester and the floor is made from 1,000D polyethylene for enhanced durability. The Coleman Weathermaster tent has a "D" style door for easy entry, and the entrance comes with both a hinged door and a zipper door for added versatility. There is a single electrical access port for powered camp sites or for use with a generator. There is a single privacy vent window, and a vented cool air port. The center height of 80" makes it comfortable for most people to stand in, and an interior gadget pocket keeps your electronics safely off the floor.
